

Module 7: The Rookie Mistakes of Practicing

1. What are some of these mistakes that you've made recently?
2. The first P is "Playing, not practicing." Jon talked about how individual musicians fall into this mistake. But do you think we're sometimes guilty of this as a team during our rehearsals? Why or why not?
3. What are some ways you could put some "real" aspects into your personal practice time?
4. Jon made a passing comment in the video about just listening to the song once and calling it good enough. Why do we need to listen to the song multiple times leading up to Sunday?
5. Do you ever find that you can play something just find by yourself, but then when you're at rehearsal you struggle? What are some ways you think could help you overcome that?
6. Jon challenged us pretty strongly about making excuses. Do you think we struggle as a team with making excuses about our lack of practicing? Why or why not?
7. What would it look like if we were a team of owners who took responsibility for our preparation?
